GYMNASIUM USE

Outside groups who wish to use the gymnasium **must** register with the housing office prior to the date of usage.

Proper insurance certification is required. Please contact the housing office at 497-7730 for further details.

POOL PROBLEMS BEING CORRECTED

The facilities office apologizes for the maintenance and lifeguard scheduling problems at the Seminary pool during the past few weeks. Technicians are currently correcting the maintenance problems, and the Seminary and the YMCA are straightening out the schedules for lifeguards.

CAMPUS SECURITY UPDATE

In the first quarterly report to the Seminary community on security matters and general information, the security office says that, in January, no crimes were reported; in February, one car was stolen at the Charlotte Rachel Wilson Apartments; and in March, two cars were broken into at the CRW Apartments and several items were taken. The security office urges all residents of CRW and the main campus to park in lots rather than on streets and roads. Cars should be locked and nothing of value be visible inside the vehicles. Those who see suspicious people or events should notify either a security officer or the facilities office.

Security also reports that two new officers have been hired to fill staff vacancies. These officers, Joseph Walker and David Nay, will serve both the main campus and CRW.

All questions about security should be directed to the facilities office at 497-7778.
